merchants

SwipeSimple Merchant Web Dashboard

Your one place to accept payments and manage your business. All you need is a computer and web browser.

Virtual Terminal

Accept payments from your computer.

- Key in transactions and save cards on file
- Schedule future payments, offer installment payments, and setup recurring payments
- Reduce fraud and lower transaction fees with Address Verification Service

Invoices

Send, collect, and manage invoices.

- Send invoices via email
- Customize invoices with your company logo, colors, and contact info
- Send payment reminders
- Search and filter by customer, paid status, and date

Customer management

View and edit customer contact info and payment details.

- Save and update customer contact details
- Add or remove customer cards
- View and change upcoming scheduled, installment, and recurring payments

Reports

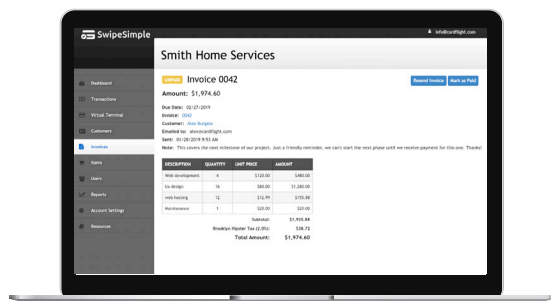

Get useful insights into your business.

- Discover which customers frequent your business and spend the most
- View employee tips and sales performance
- Identify top-selling products

Business management tools

Run your business more efficiently.

- Export transactions by date range
- View customer transaction history and resend or reprint receipts
- Manage custom tax rates
- Add and edit item names, photos, and inventory
- Add and edit employees

Learn more about how SwipeSimple can help you accept payments anywhere. On the go, in your store, and at your computer.
